SUMMARY

Computer Science graduate from the University of Lampung (GPA 3.61) with an interest in data analysis and web development. Experienced through an internship at the Lampung Provincial Manpower Office, from analyzing employment data to building a Laravel module for an official letter application. Skilled at cleaning data, building dashboards, developing web applications full stack in a team, and training object detection models. Reports findings together with their limitations, and adapts quickly.

PROFESSIONAL EXPERIENCE

Bachelor's Thesis, Computer Science, University of Lampung (October 2025 – July 2026)
Machine Learning: Road Damage Detection Using EfficientDet (D0, D2, D3) on the RDD2022 Dataset

- Trained and compared three EfficientDet variants on about 37,000 images; D2 gave the best balance with mAP@0.50 of 0.5660 and latency of 38.99 ms.

Computer Science, University of Lampung (August – December 2025)
Teaching Assistant, Geographic Information Systems (GIS)

- Assisted GIS practicum sessions: guided students in spatial data processing and digital mapping, and graded practicum assignments.

Teaching Assistant, Advanced Web Programming (PWL)

- Assisted PWL practicum sessions: explained advanced web development concepts, helped students use the Laravel framework, and graded assignments and practicum exams.

Lampung Provincial Manpower Office (Disnaker), Planning Division (June – July 2025)
Internship: SIDORA Website and Employment Analysis

- Developed the Employee module of SIDORA (official letter system, Laravel 10, team of 3), from letter creation to submission to leadership.
- Analyzed Lampung employment data for 2022–2024 in a Looker Studio dashboard and a 28-question report, then presented it to the Head of the Planning Division.

EDUCATION

University of Lampung (August 2022 – July 2026)
Bachelor of Computer Science, GPA 3.61 / 4.00

- Relevant courses: Web Programming, Geographic Information Systems, Information Systems Analysis and Design, Database, Artificial Intelligence, etc.

SMA Negeri 13 Bandar Lampung (August 2019 – August 2022)
High School in Natural Science (MIPA), final score 88.45/100.

ORGANIZATIONAL EXPERIENCE

Himpunan Mahasiswa Jurusan Ilmu Komputer (Himakom) FMIPA Universitas Lampung
Staff of Academic Department (January 2023 – December 2023)

- Chair of the organizing committee for a department-level public speaking seminar (2023).

SKILLS & OTHER EXPERIENCE

Soft Skills

- Adaptability, Teamwork, Problem Solving, Communication, Time Management, Critical Thinking.

Hard Skills

- Web Development (PHP, Python, JavaScript, TypeScript basics), Web Frameworks (Laravel, FastAPI, Next.js, React), Databases (MySQL, PostgreSQL basics), Tools (Git and GitHub, Laragon)
- Data and Machine Learning (Excel: Pivot Table, IFS, XLOOKUP; Looker Studio, SQL basics, Pandas, NumPy, OpenCV, YOLOv8, EfficientDet)
- Microsoft Office (Word, Excel, PowerPoint, etc.), Google Workspace (Docs, Sheets, Slides, etc.), Graphic Design (Figma, Canva)

Certification & Training

- English Proficiency Test (EPT): 453 (2026)
- MySkill (2026): Basic Data: Data Science & Data Analysis; Understanding Data
- RevoU (2026): Intro to Data Analytics
- DqLab (2026): Machine Learning: Algoritma K-Means dengan Python; Python for Data Professional Beginner; Forecasting and Anomaly Detection
- Udemy (2026): Excel Beginner to Advance to Pro 2026

PROJECTS

- **SIDORA: Official Correspondence Information System**, Employee module with Laravel 10, team of 3 (2025)
- **Lampung Employment Analysis 2022–2024**, Excel and Looker Studio, employment dashboard (2025)
- **Thesis: Road Damage Detection with EfficientDet**, Python, road damage detection source code on GitHub (2026)
- **Convert-app: Document Conversion and Scanning App**, 14 FastAPI endpoints and YOLOv8n for document area detection, convert-app on GitHub (2026)
- **Bank Customer Churn Analysis**, 10,000 customers with 20.4% churn, Excel and Looker Studio, churn dashboard
